Become a Friend of Eat Right Montana

We invite you to get involved in the Eat Right Montana Coalition by participating as a member at the state level or by working at the local level.

We depend on member support to complete our projects such as developing the Healthy Families yearly theme, developing the mini-grant program, and helping to create and implement new projects.

Contact Katie Bark, Chair, to get involved today. Katie can be reached at kbark@mt.gov or (406) 994-5641.

Yes! I want to support Eat Right Montana in efforts to build healthy communities!
