

EAT RIGHT MONTANA

A coalition promoting healthy eating and active lifestyles
www.eatrightmontana.org

Dear Friend of Eat Right Montana,

Eat Right Montana (ERM) is a nonprofit, 501 c (3) coalition dedicated to promoting healthy eating and active lifestyles. We're excited about new partnerships and opportunities that will further advance our mission of improving the lifestyles of Montanans and our friends from other states.

Eat Right Montana operates through the generosity of donations, both financial and in-kind, from its sponsors and members. The Healthy Families packets are free for use with credit to Eat Right Montana, but we depend on voluntary subscription donations to help us continue to offer the packets and other activities like mini grants for local communities. Donations of any level are greatly appreciated.

The cost of one monthly Healthy Families Packet or one mini-grant is \$500, so a sponsorship of \$500 or more will be recognized on the ERM stationary as well as on the ERM web site (front page) for a year. Your name or organization will be also listed on the front page of the monthly Healthy Families newsletter that is sent to over 1400 subscribers each month as well as the statewide media outlets.

We thank you in advance for supporting Eat Right Montana in our efforts to build healthy communities! We appreciate your participation in our voluntary Healthy Families subscription donation.

Please send your donation to:
Lisa Linday, ERM Treasurer
Eat Right Montana, PO Box 21551, Billings, MT 59104
Phone: (406) 231-3267
e-mail: lisa.linday@svh-mt.org

In case your organization needs an invoice, we have included one with this letter.

Sincerely,

Kim Pullman
Chair, Eat Right Montana
